## Host a Pet Adoption Mailbox

*...and promote shelter pet adoptions!*

The PWSPCA is having special "Pet Adoption Mailboxes" created that will hold flyers of pets available at the local shelters. We are looking for area businesses with high foot traffic that would like to host an indoor mailbox similar to the photos to the left. The custom mailboxes will have an "adoption" vest on the pets.

PWSPCA volunteers will set up mailboxes and keep flyers updated with available pets from the Manassas City and Prince William County Animal Shelters.

### Options (all to be placed indoors):

- Countertop Version:

2'x3' mailbox sits on counter (2.5' high)

- Post-mounted Version:

2x3' mailbox mounted on post which sits in holder (appx. 4' high)

- Small Brochure Holder:

No space for a mailbox? We also have small acrylic brochure holders for the flyers for those businesses that want to help but have limited space.

**If you would like to host one of these mailboxes, please send an e-mail to [pwspca@pwspca.org](mailto:pwspca@pwspca.org) or call the PWSPCA hotline at 571/222-0033.**
